HOUSE BILL NO. 1569

AN ACT APPROVING THE EXPENDITURE OF SPECIAL FUNDS FOR THE PURPOSE OF DEFRAYING THE EXPENSES OF THE STATE BOARD OF COSMETOLOGY FOR THE FISCAL YEAR 2019.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

**SECTION 1.** The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State Treasury to the credit of the State Board of Cosmetology, for the purpose of defraying the expenses of the board for the fiscal year beginning July 1, 2018, and ending June 30, 2019 .....  
..... \$ 744,617.00.

**SECTION 2.** Of the funds approved for expenditure under the provisions of Section 1, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time .....	13
	Part Time .....	0
Time-Limited:	Full Time .....	0
	Part Time .....	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2020 do not exceed Fiscal Year 2019 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2019 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2019 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2019 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State

Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

**SECTION 3.** The State Board of Cosmetology shall not be authorized to expend any funds appropriated by this act after October 1, 2018, unless the board has adopted and implemented each of the following policies, which shall be conditions upon the receipt and expenditure of those funds:

(a) A policy that the board will not issue any licenses for the practice of wigology and will issue licenses and certifications only as provided under the cosmetology licensure law; and

(b) A policy that allows any person who holds a wig specialist license issued by the board before July 1, 2014, to

continue his or her practice as it existed before July 1, 2014, and allows any person who holds a wig salon license issued by the board before July 1, 2014, to continue operating a wig salon under the statutory requirements as they existed before July 1, 2014, and provides that any such person will be eligible to receive a certificate of registration issued by the board.

**SECTION 10.** It is the intention of the Legislature that this agency shall have the authority to expend funds from any source that may become available to the agency in accordance with the rules and regulations of the Department of Finance and Administration in a manner consistent with the escalation of federal funds for the purpose of funding any increase in health insurance costs for Fiscal Year 2019, or for the purpose of funding additional fees, costs or assessments received by the agency from the Department of Information Technology Services or the Department of Finance and Administration for Fiscal Year 2019 that may be incurred by the agency as a result of legislation passed during the 2018 Regular Session of the Legislature and approved by the Governor.
